

Career Quest

Step One:

Discover your interests by completing the checklist at

<http://www.learnmoreindiana.org/careers/exploring/InterestInventories/Pages/InterestInventories.aspx>

Step Two:

Fill out the worksheet with the results of the checklist.

Step Three:

Choose one career to research. Visit the Bureau of Labor and Statistics Occupational Handbook website (<http://www.bls.gov/search/ooah.asp?ct=OOH>) to research the career you choose to explore and fill out the research worksheet.

Step Four:

Create a PowerPoint presentation about your Career Interest and Research using the following guidelines:

1. Create at least 7 slides including
 - a. Title
 - b. Career Interest Checklist information
 - c. Career you selected and why
 - d. Different areas on the Career Research Checklist
 - e. Resources
2. Include a slide design or a background you design
3. Use font sizes, styles and colors that are easy to read
4. Include slide transitions
5. Include buttons on each slide for navigation
